SUBJECT: Review of PAO Studies for Impact on the
Program Review

1. Attached find the agenda which I plan to use this afternoon between 1500 and 1700 hours when we meet with John to discuss what impact the PAO studies may have on Program Review.

2. Meeting will be held in the Sixth Floor Conference Room. Since the meeting is open to everyone, I encourage you to have interested staff members attend. Alternatively, interested/involved staff members can be cycled in and out as appropriate. To this end, I have provided a tentative matrix of program interactions.
